STUDENT POSTCARD WORKSHEETS

The following are a set of copies of Edwardian postcards that can be used by students to find the equivalent headstone motif during their cemetery visit.

The worksheets are to be used for Memorialisation Unit Activity 3 while at the cemetery.

Print and cut out the postcards. Allow students to choose or “fish” for a card randomly. Provide each small group with a map. Students undertake a thorough search for examples of the symbol they have on the postcard they have chosen. They can photograph each of their finds and mark the place on their cemetery maps.

The memorial motifs resource set is designed to support this activity.
Putti & Cherubs

Guardian Angels

Lilies

Anchor
A Merry Xmas

Absence makes the heart grow fonder.

I wonder as I gaze upon
The twinkling stars so bright,
If you are gazing on them too—
With thoughts of me to-night.

Roses, Emblem of Fond Love.

Tell the wish of thy heart
In flowers.

Faith

Abide with me (8).

I fear no more with Thee at hand to bless,
Ills have no weight, and tears no bitterness;
Where is death’s sting? Where grave, Thy victory?
I triumph still, if Thou abide with me.
